Invitation Public Information Session

Chevening Scholarship Programme

Nora Mufics [Main Speaker]

As a **Senior Programme Officer and former Programme Officer in the International team at the Chevening Secretariat, London**

I have been providing support with running the Chevening programme in country to British missions overseas. My portfolio includes Southern Africa, Eastern Europe, Asia and the Pacific region as well. I utilise my experience in international collaboration and my extensive scholarship knowledge, working with overseas stakeholders, to support scholars studying across the globe whilst growing the profile and highlighting the impact of the Chevening programme.

Lwimba Mufune

As the **Communications, Scholarships and Politics Officer at the British High Commission in Windhoek**

I am responsible for the implementation and administration of the UK Government scholarship programme in Namibia. This includes marketing and PR to promote the award; management of the application process including candidate selection, interviews, and support to successful candidates; engaging with stakeholders and the Namibia Chevening Alumni Network.
